FRATERNAL ORDER OF POLICE

NATIONAL LODGE

THE ONLY NATIONAL
POLICE ORGANIZATION

A SURVEY OF 1980
SALARIES AND WORKING CONDITIONS OF THE
POLICE DEPARTMENTS IN THE UNITED STATES

Published March 15, 1980

WHAT...

is the Fraternal Order of Police?

The Fraternal Order of Police is an organization of Police Officers, incorporated in the State of Pennsylvania under the Non-Profit Corporation Law. Its name and insignia is registered in the United States Patent Office in Washington, D.C. Its membership is restricted to full-time Law Enforcement Officers of all ranks who are employed by Federal, State or local government.

The Fraternal Order of Police is composed of:

(1) **National Lodge**—made up of delegates from all subordinate Lodges assembled in Biennial Conference; managed by a Board of Directors between Conferences.

(2) **State Lodges**—formed when there are three or more Lodges in a state; composed of delegates from all subordinate Lodges assembled in Biennial or Annual Conferences; managed by a Board of Directors between Conferences.

(3) **Subordinate Lodges**—formed at the request of ten or more members of a Law Enforcement Agency; managed by a Board of Directors elected from among the members annually, or biennually. At the present time, the Order is composed of approximately 150,000 members in 1350 subordinate Lodges in 42 States. There are 31 State Lodges.

Our subordinate Lodges are operated on dues received from their members at a rate prescribed by their own By-Laws. State Lodges and the National Lodge are operated on Per Capita Tax paid by the subordinate Lodges on the basis of their membership.

All actions of the Board of Directors of the National Lodge are reported to the subordinate Lodges in the form of minutes, which include financial reports of money received and money spent. The financial affairs of the National Lodge are audited by a Certified Public Accountant.

WHAT...

does the National Lodge do?

(1) Provides the means whereby the Order is introduced to Police Officers.

(2) Provides an Income Tax Exemption to each subordinate Lodge so that all its revenue may be used for Lodge programs.

(3) Provides Human Rights and Law Enforcement Study. A policeman must make split-second decisions. But it is often hard to resolve questions of individual rights vs. rights of the public. The F.O.P. is studying the problem in co-operation and in conjunction with the U.S. Attorney General's office. Purpose: to aid in formulating a uniform national policy of procedure.

(4) Through its National Legislative Committee promotes, in the Nation's Capitol, legislation beneficial to all Police Officers and is the watchdog for detrimental legislation. It has been successful, so far, in keeping out of Social Security those Policemen with adequate retirement systems who do not want Social Security. Also, sponsored Police Survivorship Bill that provides pension benefits for police officers killed or injured while apprehending persons suspected of committing or attempting to commit a crime against the United States.
Obtained the approval of the U.S. Postmaster General for the issuance of Law & Order Commemorative Stamp honoring policemen.

(5) Publishes an Annual Survey of the Salaries and Working Conditions of Police Departments. It has become the principal reference book on Police salaries and has enabled our Lodges to secure higher salaries and improve their working conditions.

(6) Issues a bi-monthly publication which is mailed direct to the homes of each of its members throughout the country. This provides a medium for the exchange of ideas and acquaints the membership with the progress of their fellow members.

(7) Compiles and publishes data on subjects that affect the welfare of Police Officers, such as integration of Police and Fire Departments, Social Security for Policemen, Citizen Police Review Boards, etc.

(8) Provides Group Life Insurance and a Family Supplemental Hospitalization Plan at reduced rates for members.

We cannot attest to the accuracy of the figures used in this survey as they are compiled from information received from various police agencies.
